One Mr. Sripati Rao, overseer, P.W.D., and a devotee of the temple has deposited Rs 1,000/- in the Savings Bank for the the institution. In 1906, he has petitioned the Govt praying that this amount might be invested in the purchase of the Mysore Govt Loan papers, and a reply was given in the Proceedings quoted above, expressing willingness of Govt to do so, provided he was prepared to pay the excess, if any, over the face value of the said papers. The petitioner agreed to this, but as there were no loan papers of any Mysore institution available for transfer no action was taken in the matter.

Now Mr. Sripati Rao has pet.d the Dy Commr praying that the amount might be transferred to Govt Securities and interest at 4½ per cent paid to him during his life time and thereafter to the Dharmadarsis of the temple. The Dy Commr recommends the prayer and states that though the minimum limit of the deposit under those Proceedings is Rs 3000/-, the donor's deposit of Rs 1,000/- may be accepted as a special as great inconvenience is at present ex for the punctual conduct of services in Mysore

Sir,

With reference to your docket No.1489 dated 30th August 1906, forwarding for enquiry and report, petition from Mr. Sripathi Rao, Overseer, D. P. W., Chintamani, requesting that the Sri Pranadevaru temple in the Kolar Town may be taken under Government management and the interest on the sum of Rs.1,000 deposited by him used for the expenses of Paditara of the deity, I have the honor to state that there is a temple dedicated to the Sri Pranadevaru in the Kolar Town built about 150 years ago by the ancestors of the present Archak Pundarikaksha Anniahcahr, at a cost of about Rs.1,000. Anniachar has been maintaining the institution and conducting puja therein regularly. The temple has no Inam lands or any other source of income for its support, except the voluntary contributions offered by the devotees supplemented by the Archak's own earnings. With a view to ensure uninterrupted puja petitioner who is one of the staunch devotees of the temple and a disciple of the present Archak and actuated by philanthropic motives, had deposited Rs.1,000 in the Government Savings Bank in the name of the said Archak on behalf of the temple for its paditara expenses. The petitioner requests that the sum now deposited in the Savings Bank may be invested in the Four per cent Mysore Government loan for 1906-07, and the interest accruing on this sum utilised for the expenses as specified by him in the

statement attached, and the same paid to the present Archak so long as he continues performing the puja and after the latter, to any nominee made by the Dharmakaris and sanctioned by Government. He further requests that the said sum of Rs.1,000 may kindly be invested in Mysore Government 4 per cent debentures and the Archak granted Rs.3 per month and after the redemption of the said Debentures the Archak may be paid at Rs.2-4-0 per month.

2. The temple is reported to be now in a good condition. The petitioner has given a statement to make over the amount to Government and the owner, i.e., the present Archak has also given a statement consenting to hand over the institution to the management of Government and also to abide by the wishes of the petitioner who is the manager of the temple in conducting the affairs and improvements of the institution. These statements are submitted herewith.

3. The above sum of Rs.1,000 deposited in the name of the Archak has been withdrawn and invested in the District Treasury in the name of the Deputy Commissioner of the Kolar District. Pass Book account No.800 is herewith submitted.

4. Under the above circumstances, I recommend that the institution may be taken over under Government management. The expenditure proposed by the petitioner may be given effect to after a period of 6 months after the issue of the said Debentures, i.e., from the time the 1st instalment of interest accrues. The petition received with your docket under reply is also herewith submitted.

5. I have to-day addressed an urgent letter No.2039 dated the 14th instant, to the Comptroller on the subject of issuing me debentures to this account and submit herewith copy of the said letter for your information.

Respected Sir

I respectfully beg to bring the following for your kind consideration & orders in connection with my deposit of Rs 1000/- in the Government Saving Bank in your favour with a view of securing a permanent income for the Conduct of Pooja to Puradanekaksha Anjanadayadevaru at Kolar which was taken over under Government management with the above said endowment as ordered in Government Notification No 4668-9 d/- 26 March/07 with effect from 1st April 190

2 The practice now obtaining in regard to the payment to the is to draw the pay once in 4 m

out of the Saving Bank account, the withdrawal form being every time sent to the Deputy Commissioner's signature, & the money drawn after its receipt in the Taluk office. This entails good deal of delay & inconvenience as the Archak has to attend the office a number of times for his pay which is not disbursed every month.

3 The amount has not yet been transferred to Government securities & interest raised to meet the original proposed expenditure in connection with the Pooja & the upkeep of the temple. The document obtained from me, being deposit binding me & the heirs not to demand the principal, at any time as required in paras II & IV of Govt Proceedings No 473 of 15-7-09.

3 I respectfully beg, under the circumstances, that the deposit may be permanently transferred to Government Securities bearing interest at 4 p.c; that half yearly interest at 4½ p.c. (including ½ p.c

extra allowed in Para II of the above quoted Notification, made payable to me during my life time & to one of the Dharmadarsi thereafter. for the performance of the Pooja, and that the necessary bond obtained from me for the permanent investment.

4 I shall be ready to defray any charges in shape of premium or brokerage for the purchase of Government securities, if any.

I beg to remain
Sir
your most obedient Servant.

Sir,

With reference to Government Proceedings No.4663-9 dated 26th March 1907 regarding the investment of Rs.1,000/- on 4% Mysore Government Loan for the maintenance of Sri Pundrikaksha Anjineya Swami temple at Kolar, I have the honor to submit herewith a petition from Mr. H.Sripathi Rao, retired Overseer, praying that the amount of Rs.1,000/- deposited in the Government Savings Bank may be transferred to Government Securities, that interest of 4½% may be payable half yearly to him during his life time and thereafter to one of the Dharmadarsis of the temple and that the necessary bond will be executed by him in accordance with Government Proceedings No.Fl.473-503/G.F.15-09-2 dated 15th July 1909.

2. It is represented by the donor Mr. H.Sripathi Rao that the interest on the amount which has been deposited in the Government Savings Bank has been since disallowed by the Comptroller in the Savings Bank Annual account and that consequently the Archak has not been paid for his services. Though the minimum limit of the deposit should be 3,000 rupees under the Proceedings quoted above, the donor prays that 1,000 rupees may be accepted as special case and the interest paid half yearly at the rate specified therein. I

beg to commend his prayer for favourable consideration as a special case as great inconvenience is at present experienced for the punctual conduct of services in the Institution.

I have the honor to be,

Sir,

Your most obedient servant,
